

# AWARD TO NOVI SAD HEAT PLANT FOR THE SOLAR-THERMAL PROJECT IN NOVI SAD

🏆 We are proud to announce that our **Novi Sad Solar-Thermal Project** has been recognized as the **Best Urban Infrastructure Deal for 2024** in Central and Eastern Europe by EMEA Finance. 🌍🏆

Our ambitious hybrid energy storage plant is a cornerstone of Novi Sad's Green City Action Plan and a global benchmark for seasonal heat storage and sector coupling design.

👉 This prestigious international award highlights the project's innovative nature and impact, made possible through a strong partnership with the EBRD and the Ministry of Mining and Energy.

🏆 We are honored that the project has been acknowledged for its importance in Serbia's green transition, and that the Public Utility Company Novi Sad Heating Plant has been recognized in EMEA Finance's Project Finance Awards 2024.
